NELLIE asked me about MARGARET. I said I don't know anything about her. She got all of BUD's money. UNCLE JOHN said he wasn't going to forget us.

What's MARGARET's last name? LAMBERT--he's dead. She was living in Oak Park, but she moved I think.

Where does NELLIE live? Nellie lives way out on the 73rd St. somewhere. CONNIE...

ETTA's last name? I don't know.

Where was your grandfather born? In MECKLENBURG. My father's father was born in COUNTY MAYO, IRELAND.

My GRANDMA and her brother GEHRING from Iowa were raised in an orphanage. She only had a brother and those two were raised in an orphanage.

What was her maiden name before she was married? GEHRING. Before she was married. That was grandma's name--what was her mother's name? That I don't know. They came from Mecklenburg.

My grandma had enough money to send to her brother to come to America. Then they all went to Iowa--my grandma and grandpa were married and then they went to Iowa.

Your mother had how many brothers and sisters? One brother. That's all I know.

How is GRAHAM related? That was my father's sister's husband.

There were three--ANNA, AUNT MARY, AND CATHERINE. And they were your father's sisters? And then he had CAPTAIN JOHN CASSIN, the brother and my papa. Those were his sisters.

What about the HINTZ side of the family? He had only one sister--EMMA. Where did his mother come from and what was her name? Schleswig-Holstein. Her maiden name was PAULSEN and then she married HINTZ. They came from the Danish <agrin> up near the border. And there was a war. Then she had EMMA, your pa and JOHN--that's all I know of.

When GRANDMA HINTZ was a youngster, there was a war between Denmark and Germany; and the soldiers came in and were stealing everything from their house. Her mother hid her under the table when the soldiers came. Elena? Emma? Lena? I don't know--one of the babies. And she had three babies?

Yes.

And HINTZ died? Yes, he died. Then what happened? It was a few years after that she married ZEPP. What was his name? I don't know. He was an architect--he built the Milwaukee library or something, and then we went to New York and he was working there; but she didn't stay with him. She left him in New York and took your pa home to Chicago. They lived in New York--about a year? I don't know. That guy would hardly give your pa anything to eat--he didn't like him. I guess he whipped him--there was something, I don't know.

But she came back to EMMA's with your pa. And I think they lived on Zepulski.

Where did you live on Lemoyne Street--3321. I was born at 507 N. Ashland Ave. What time was I born? Somewhere around 8 in the morning. I was going all night Friday and Saturday morning til Schroeder said "Would you please put water on?" All three were instrument babies.

THE LAST WILL AND TESTAMENT OF FLORENCE CASSIN HINTZ

I, Florence Cassin Hintz, widow of Fred A. H. Hintz, mother of Florence LaGrand, Frederick M. Hintz, and Willis D. Hintz, am setting forth this, my will.

I have a home at 5500 N. Marmora Avenue, Chicago, Illinois. My request is that at the time of my death it is to be sold, and the proceeds divided between my three children. Should one of them want to buy the home, they can reach an agreeable decision. If none of our children wants to purchase the house, it should be sold, and the proceeds divided between our children.

My savings account in the Bell Savings, Chicago, Illinois, which is under a trust agreement, is to go to our three children, Florence, Frederick and Willis.

The account in the Northern Trust, which is also my savings, is to go to our three children.

I also have an account with the Peerless Savings & Loan, which money is also to be divided between our three children.

I have three insurance policies with Metropolitan Life Insurance Company. These are to apply to my funeral expenses.

Now, my wish is that each of our three children is to take ~~\$500.00~~ ^{1,000.00} from their money received from this estate, and divide that amount between their children (my grandchildren). Willis's 6 children, Frederick's 4 children, and Florence's 1 child.

Now, please, I hope there will not be any argument between the families. I love all the families.

All gifts that have been given to me should be returned to those who gave them, like the organ and the Hi-Fi radio, gifts from Florence and Carol, should be returned to them. Now, I will say, please take

Will of Florence Cassin Hintz

each of the gifts you gave me, and please divide the rest of my things between yourselves. I know you will know what to do with them.

Fred and June have been paying \$30.00 per month rent up until January 1st, 1966, at which time they started to pay \$50.00 per month for rent. I pay all real estate taxes, water bills, insurance bills, and have paid the alley pavement bill, car license, insurance, etc.

Fred and June pay half of the telephone bill (\$7.36 is the monthly bill), and they pay \$8.00 every two months on the gas bill. They pay one-half of the electric bill.

I think, and I hope, all things have been covered.

Now for my daughters-in-law and my son-in-law, they will be partners with their husbands and wife. In the event of the death of any of my children, my daughter, Florence, my son, Frederick, my son, Willis, then I hope their spouse will share the money with my grandchildren (the children of my children).

In
Memoriam

Twenty-third Psalm

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

oh well if ³ something
wasnt wrong life would
be a drag —
Well we got to Wills but
he was not at home
he was buying some
kind of leak proof
The new trailer had
a leak he came home
& fixed it that he also
got a new TV. Color —
So the lad is buying things
but June heard something
they want to sell & get
rid of farm — because there
is to much work for Will —
I dont know where they
will go then — but the baby
is cute Jan put him on
my lap the little one was
always smiling when I
talked to him & he is strong —
they rented a truck & brought
all belongs so I hope
they get the house they said
was for rent & Dick

has a job⁴ that his
brother got for him.
so I hope all is well.
& Jan is a good little mother
like Carol with her two
little darlings it was so
good to talk to them.
they are little smart
girls - & they can be so
proud for their babies
I know I just loved mine
I wish I had a little
one again - but Eve
had a nice spread
but we did not know
she was going to have
that so we ate before
we got there - Will's
trailer looks bigger but
no toilet in it just a
portable - but they have
a gas & electric Ray - Jan
store & more room for
sleeping so I hope they
will have a lot of fun
with it but it fits on
his trailer truck -

35.

but we all ate something
there - Fred & Will ate in
the kitchen & the other table
was full - with Judy - Bill
June - Sherry Anne - Ed
& myself - so we left there
about 5 & oh yes Tom & Janis
came so we stopped at Janis
house I got to see the organ
but I like the tone of ours
but Tom played it has drums
& oh so many things - but I
like our Sourier - but theirs is
nice to - Do you know Jan -
Tom came over on a Sunday
afternoon she had baked me
a pretty decorated cake & Gram
was written on it then she
had a pretty card for me
& said Tom & I love you
it was so nice of them
so we all had a cup of coffee
& a piece of cake but it was
so thought full of Jan she
is like Carol when she made
that Xmas house for me I
once parched that away

if they dont change
their mind but
I am loosed to travel
they said they covered
3800 miles & they
could go west to Cal.
so maybe I will
see them in church
tomorrow we are
to have Per Com-
to-morrow I hope
you can read this
letter clear writing
it too fast
by the girls a
squeeze a few me-
o-byes & Dorothy stopped
so she had taken a
neighbor to the Dr & had to
take her home again
thats all now & from

and I can still put it on my
table next xmas if I am
still here & thank Carol
again & all of you folks
for all the nice things
you do for me but not
Warren I lost 3⁰⁰ to him
which I paid only bedding.
I am so sorry to hear
about Elmer I hope he
makes it he is too young
to leave Marcela so I hope
& pray he will get better.
My people left early this
am for Billie Mack the
dentist in Palatka. Sherry
had some work to do
also - last Sunday they
had Co from Rockford
so they were important &
Fred bought chickens.
there was 4 people & Freddy
took me to see Elsie with
her gout. Oh yes Bettie is going
to be married soon at the
church but no big wedding she
wants Elsie to be there & her
sister & all close friends & love
& all others - & for all Mom

oh gosh I ⁽⁶⁾ had I
have all this space
left I thought
I was done writing
I hope the Jerry
folks is OK so
I will help carry
your check home.
Do you know we
had thunder &
lightning & rain &
hail but oh I mean
rain - My friends
called me they got
home from Florida
they said oh was it
Cold they don't
like it to well so I
think they are going to
Arizona

they were here a short time
& started for home - Will
wanted to ask me if I didn't
want to drive back with them
I said I was staying in my
warm house & not bother

then I was surprised when
China called that night
to come to the shower
on Sat at 1 P.M. but of the
weather is snowing &
will stay home but June
said snow won't bother us
so they go regardless of weather
I can't tell you what they
went out for but some fruit
for his C. B. set but did not
get it I haven't seen Fred
since he took me to the Dr.
he never comes in so there
the only time he comes in is when
you folks come in - oh well
so it is. How are my 2 girls good
I hope I am proud of them.
Johnston is cute & was real good
here so you will have two to
change - she looks good - I
got to chink on Sunday Edna & Tom
said they would come & June heard
that & said you had Fred & will
pick you up so he took us. The only
stopped in here yesterday they are
real nice people & I hope to
wells Happy Valentine Day to
all Love & X from me to all.

a new aircell up above
the roof. but I think I
should invest in a new
TV. What you think. about
that. I had him to fix it
not long ago & says I
need a new aircell I
fought bout to spell that.
My arm is O.K. so don't worry

Monday

Dearest Flo & all the
family.

Well here comes a
few lines on this
beautiful paper to
tell you I got Carol's
chain yesterday so
now she will have
her own chain so
when we get to see you
Carol will get it. I did
not get to church but
listened to Oral Roberts
they went to Rockford Sat
& came home I guess
10 o'clock at night so they
were visiting out there
maybe Fred will be
putting his trailer in

deplains so I wonder how
long that will last I called
you yesterday but no response
so I called Will & ask him ^{again}
if he knew I was home
Yesterday June & Fred went
to James & picked up my
soap & locker they asked
me to go along I said
no Fred is getting the
car & I was not dressed
so Will said don't you
want to come & stay a
couple of days. he would
pick me up I said no
you told me you did
not like to drive all the
way to Chicago so I said
no & I have my reasons
then he told me the farm
across from him was sold
for a million & a little over he said
Warren or I should of bought it but
who wants all that money maybe

they would kidnap us
then & money is not even
thing I am thankful what
I have but that was
some price O.K. I guess
a Paint Co is going in there
so I had Mrs. Knezel for dinner
& Sat night Mrs. Wass & I Knezel
came & we had coffee & cake
I hope everybody is well
out there & my little ones
they are cute so in closing
love to you
love
Hallmark
my health to all

Received your letter

have a good time at the
party sorry to hear about
Marty's sister I hope she
gets better, well I just
finished my clothes &
fixed my bed so it is
all clear again but oh
this weather is for the
cat it was snowing a little
& dark & dreary - but
thankful I got my
wash finished.

so my little bit of winning
is all gone. Thank God
the lady upstairs went
down town to pick
up Fred's auto plates
maybe it was Fred's
I don't know so she said
give me your tax bill &
I will pay it & I was mad so
I said never mind I will
get some one to pay it so
don't worry so away she went
& took my bill & paid it. she
said I am going to the City Hall
anyway so she took it. & then
I said Fred never stops in
& say hi or I guess it is 2
weeks now I haven't seen
him & last night Will & Eve
called & she said Will wants
to talk to you so he said I
thought Florence came in so
I paid your running you bill
up & I hung up. but you see
he done his duty by calling
but he could have saved
his money. he never comes

3

asked me is there anything
I can do never so June 9
was much & said well
I guess we should move
& said I am not the hell
so I said well I can say
I am not the hell - but
but do you know she
called up from downtown
to tell me she paid the
bill & wanted to know if
I wanted anything from
downtown I said no

she got over her snatches
oh gee oh my what fun it
is to live. So long - I told
her when I see your friends
I am going to tell them Fred
never comes in or puts
his head in that my son
& Wilks is just the same
so I shall it only not mad
at my son-in-law - he is
friendly whooper - that will
put a feather in his hat -
now I am over my feeling
I will end & only they are

all good kids right - but
don't want to be quite so
hope Bral Roberts will
help me to be better
with War. German Whoppe.

to fill up a new filler
gas it is dark & gloomy
here I hope you folks
have better weather
now & thankful you
did not have any damage
out there we did not
get the wind thank God
for that, so in closing I
will say forget what I wrote
I am over it now & I wish
you all good health but

I will take care of the family
here —

Dearest Florence

Just a few lines
to ask you, if you
want Frederick to come
out Friday night & put
up your ceiling paper
he would bring his paper
boards & tools both he
& June would leave Friday
after work
Frederick came down last
night & told me he would like
to put up your paper, for
you, it was his own idea,
just June & Fred would come
so will you please
write the ans right away
we will get it away so we

I thought that was a
very good idea & nice of Fred
to want to help you pretty
far I would stay home
with all children
Fred was wondering what
Warren heard about the
welder or something they
talked about

so my little one I will
get this in the mail box
so I hope we have a ans
by Friday morning
So too wa Lu & loads of
love from Mom
say hello to Carl & Buff
& all

for all
P.S. Frederick said you would
have a hard time washing off
the glue

Excuse my
writing class on a
hurrying to get this in
the mail -

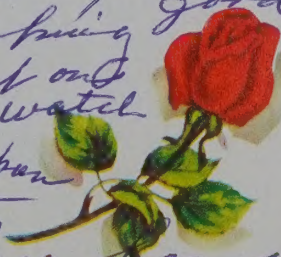

Dearest Florence & my
Puff & Carol -

Just received your letter
so happy to hear from you,
so you are going to the wedding,
have a good time so you will
be in Purdue Mother's Day, I hope

you & Carol will have a wonderful
time

We are going to try to get the 2nd back
on your dinner ticket because you
won't be here, so I told June to turn
in, she did buy 7 of them, so she
done her share, June said last
night while working at church they
had only sold 350 instead of 500 -
so maybe there will be more buying
them Sunday -

Will the doc said there was a trace
of sugar showing, he took away the dia
pills & gave me Insulin & dia pills. The
Druggist said they were working good
so I have those now & clam foot on
a months probation & June is to watch
me on the hospital. Threat is upon
me so I have arthritis pills &
June calls me lumpy, my ore knee has
given me trouble plus other parts

2

I guess it is the damp weather, but
that Arth. was good for quite awhile
and I will live through that age
now for my weight I guess I needed
a opening I had it today, I got on my
scale & it showed 186 - Instead of 191
like at the Dr office, oh whoo is me
I don't know why they ever invented
scales - so Waver is doing fine Sat
so that means you will have to drive
down to Purdue alone or else he take
you on Sunday - June is looking
up the tape recorder now - she
cannot find a name like that in the book
so I just called on them in St where you
had taken yours back & they gave us
a name E. D. 1 - 4900 Elston, they handle
them but June cannot find it in the Tele book
June washed all the blankets & bedding out
back bed, so I think my girl is going to come back
with me, the Dr said I could not get them & June
has been sleeping with Sherry, the spots are not
all gone, Now I just called the E. D. i - its
Electronic something they said they carry
that name but they don't have that # it may
be something new but they could probably get it

Dear Carol Springer,

I am Margout Lombert's daughter and your letter of 24 Oct was forwarded to me.

Relatives of my mother are & were, few and far between. What is/was your mom's name & relationship?

Why would you suppose my brother moved to Thomas after my mother's death?

This whole thing is curious as, as you undoubtedly know, my mother was adopted.

Please tell me who came from where and is, where, I'd surely like to know, too.

House Passes Greatest of All Tax Bills by a Unanimous Vote.

(Continued from first page.)

profits, liquors, tobacco, and luxuries—were approved by the house substantially as drafted unanimously by the ways and means committee after three months' labor. Roughly, the total tax levy doubles present returns from internal revenue under existing laws.

In the senate mounting war expenses and revenue reduction by prohibition are factors entering into revision, expected to be extensive. Much senate sentiment exists for reduction of the bill's aggregate levy, while Secretary McAdoo already has disapproved any substantial increase.

Major Tax Features.

Major tax features of the bill, as transmitted to the senate, and estimated revenue yields include:

Income tax:

Individuals' normal rate increased from 5 to 12 per cent, with the first \$4,000 at 8 per cent and exemptions of \$1,000 for single, and \$2,000 for married persons—\$414,000,000.

Individual surtaxes on incomes over \$5,000; present ranges of 1 to 65 per cent increased to from 2 to 63 per cent—\$1,068,000,000.

Corporations' incomes, increased from 6 to 18 per cent, but with only 12 per cent payable on dividends distributed, debts paid, and new Liberty bonds bought—\$894,000,000.

War and excess profits of corporations—80 per cent on war profits and virtually doubled rates on excess profits, ranging from 35 to 70 per cent—\$3,200,000,000.

Beverages, present rates doubled—1,137,600,000.

Tobacco, present rates doubled—\$41,204,000.

Luxuries and semi-luxuries, 30 and 50 per cent—\$272,555,000.

BATTLE LISTS OF DAY BEAR NAMES OF 5 CHICAGOANS

Only one Chicagoan was named in the official casualty list issued last night—Private Arthur Woodman, an interpreter with the One Hundred and Sixteenth United States engineers, missing in action. His home is at 1123 Noyes street, Evanston. Relatives previously had notified THE TRIBUNE and a picture and biography were published Sept. 18.

Four Chicagoans were named in the early list, one killed in action, one dead of wounds, one wounded severely, and one missing in action. In the Canadian list, G. A. Warburton was listed as killed in action and C. A. Goodrich as missing in action.

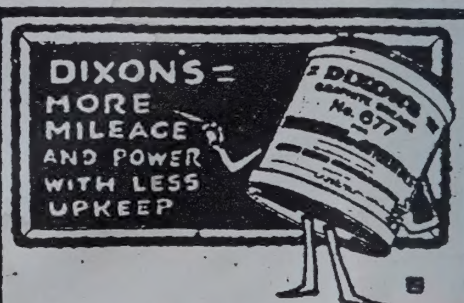

After received yesterday by Mrs. Elizabeth Cassin of 1648 North Central Park avenue, conveyed the information that her son, Private Matthew J. Cassin of Company E, One Hundred and Eighth engineers, had been killed in action. He was performing night construction work in some newly captured territory close to the German lines when caught in an enemy barrage.

Mrs. J. Turgstad, 2234 North Tripp avenue, has received word by letter that her adopted son, Private John E. Janine, Fifth United States Field Artillery, has been gassed. He enlisted in May, 1917. He was formerly a foreman with the Western Electric company.

The parents of Lieut. William Hugh Shearman Jr. of the United States aero forces are still awaiting official confirmation of the report that he is missing.

Wilson Thanks Advertisers for Indorsing Peace Stand

Joseph P. Tumulty, secretary to President Wilson, wired to the Advertising Association of Chicago yesterday the thanks of the president for the association's recent wired indorsement of his stand in refusing a "bartered peace."
